In addition, we are especially grateful for her generosity in providing lodging for our director and choreographer, Dawn Ewen, each year, ensuring the shows run smoothly and fostering a spirit of collaboration.

Ms. Hughes, your legacy of excellence, dedication, and kindness will be cherished for generations. Thank you for your unwavering support and remarkable service to Byng.

DIRECTORS' NOTES

Back in 2019, we decided we had the company and the ability to produce the musical *We Will Rock You*. Spring Break of 2020 rolled around and Darren and his crew began the install of the musical on the Lord Byng stage. 2 days later, Prime Minister Trudeau announced that schools would not be returning after Spring Break due to the Covid-19 outbreak.

We were stunned, shocked, and devastated. We all walked away from a musical that we had all collectively spent so much time and money on. Originally, after the closing of our musical in June 2020, the School Board had intended on closing the theatre for one year, to do seismic upgrades to building. But, with Covid closing the building down 3 months early, the school board and their contractors decided to go ahead with the upgrades to the building immediately.

Darren and his team had 2 eight hour days to not only strip the set out of the theatre, but also every piece of technical equipment including all of the lighting, sound, video, and drapery. All of this had to be stored in our drama room in another part of the building. Following 4 months of upgrades to the building, the Lord Byng PAC and the school board graciously provided us with new dimmers, a new lighting console, some new LED lighting fixtures, and a new digital sound system.

It took us 6 years to put together the right company to attack *We Will Rock You* again, and this is that year! We are thrilled to finally bring this hilariously silly comedy to the stage, packed with amazing Queen music. It has taken 7 years of work to get here and we are glad that you are all here with us to experience the joy of Rock! We would just like to thank a few organizations for their kindness. First, Theatrical Rights Worldwide who hold the rights to this musical. When the musical was shut down in 2020, they gave us our license fees back in full without question. And when we decided this would be our musical this year, they offered a discount on the rights. Second, Christie Lites Vancouver (our rep Nicole Balesdant and the rentals staff) who also refunded half of the rental cost in 2020 when we had to return the equipment 6 weeks early. They also discounted our rental of lighting truss this year for the show. We are grateful to them all for all they do for us.

Finally, we want to thank all of the mentors who join us every year to work on our musicals, making them bigger and better each time. Dawn Ewen, Arielle Ballance, Darren Hales, Ethan Cook, Isaiah Ibarra, Kade Larson, Nik Majorkiewicz, and Rose Fulker.

Enjoy the show...and Rock On!

We Will Rock You!

SYNOPSIS

WE WILL ROCK YOU tells the story of a globalized future without musical instruments. A handful of rock rebels, the Bohemians, fight against the all-powerful Globalsoft company and its boss, the Killer Queen; they fight for freedom, individuality and the rebirth of the age of rock. Scaramouche and Galileo, two young outsiders, cannot come to terms with the bleak conformist reality. They join the Bohemians and embark on the search to find the unlimited power of freedom, love and Rock!

Since 2002, over 15 million theatregoers in 17 countries have been thrilled by this awe-inspiring production which is based on the songs of Queen with a book by Ben Elton (*The Young Ones*, *Blackadder*, *Popcorn*). Elton fashioned this hilarious futurist comedy around more than 24 of Queen's biggest hit songs including *We Are The Champions*, *Radio Ga Ga*, *I Want To Break Free*, *Somebody To Love*, *Killer Queen*, *Don't Stop Me Now*, *Under Pressure*, *Bohemian Rhapsody*, *Another One Bites The Dust* and of course, *We Will Rock You*.
